

Creative Arts Camp 2023

We are thrilled that you are planning to register your child to attend Grace Fellowship's 3rd Annual Creative Arts Camp. This camp has been tailored to children who will be entering Kindergarten through 8th grade in the fall of 2023; "Juniors" are K-3 and "Varsity" are 4-8. Two art classes will be assigned to each camper.

This document identifies information you need to gather before you begin the online registration process.

1. Review the **Course Catalog** with your child.
2. Help your child select 6 courses and rank them in order of preference (1st choice to 6th choice).

Note: Every effort will be made to enroll your child in their top choices; however, some classes are held during the same class session or may fill quickly, which is why we ask for 6 choices. (See step 8 below.)

3. When registration opens, you may be required to create a login and password; this ensures that the information you enter is safe and secure. You may use your email address or cell phone number for your login ID.

4. Each camper will receive a T-Shirt, so you will need to identify the size for your child. Options are...

• Youth XS	• Youth L	• Adult XS	• Adult L
• Youth S	• Youth XL	• Adult S	• Adult XL
• Youth M		• Adult M	

5. If you need anyone else to pick up your child in your absence, you will need to identify who. Children will not be released to anyone who has not been pre-identified/authorized.
6. The cost this year is \$20 per child or \$50 max for children in the same household. You can pay by credit card or debit card during online registration, or you can pay by cash or check, delivered directly to Grace Fellowship Church. Full payment is due before camp begins.

Note: We do not want the cost to hinder any child from attending, so scholarships are available for those who need them. If you check the option to receive more information about scholarships, be sure to also select "Pay later" when nearing the end of the registration process, and then disregard any additional prompts to pay. This will not affect your registration.

7. For "Medical notes," identify anything we need to be aware of, especially food allergies. The text you enter prints on a name label, so be brief. For example: Gluten allergy
8. When you reach the confirmation page, you will need to open a form for each child and identify their 6 course electives, then click Submit. The links look like this:

• [Creative Arts Electives \(Junior Campers\)](#) • [Creative Arts Electives \(Varsity Campers\)](#)

The yellow dot is replaced with a green checkmark (✓) after the form is complete. (You may need to refresh the page to see the checkmark appear.)

Important: You will receive an email message, confirming your reservation and indicating the form has NOT been completed. The link in the email is in case you did not complete the form during registration. You do not need to complete again.

Tip: If you are on a computer and wondering how to return to a previous window (you completed a set of questions, for example), you may be in a new window; if so, simply close the current window.
