The sermon was “He Knows My Name” from John 10:14-15 and it was about the intimate relationship that a person can have with Jesus Christ. This relationship is described in the Bible in several ways:

He’s my Shepherd – found in Psalms 23 and John 10.

- Why does the Bible describe us as sheep?
- How does John 10 talk about our relationship with Jesus as the Shepherd?

He’s the Bread of Life – John 6:35-40

- What does Jesus promise as the Bread of Life to us?

He is the Vine – John 15:1-5

- Why is our connection to the vine so important?

He’s my Example – Philippians 2:1-5

He’s my Strength – 2 Corinthians 12:9

He’s my Friend – John 15:12-15

- How is Jesus a friend to you?
- As you consider your relationship with Jesus, your walk with Him, how real and intimate is it?
